

Luxury Seats, Empty Job Sites: Who Is the Current Board Really Serving?

Dear Brothers and Sisters,

Over 1,800 of our fellow union members sit on the out-of-work board, struggling to make ends meet, while the current executive board spends *your dues* on luxury sports advertising and perks. This isn't leadership—it's a betrayal of the hardworking members who keep this union alive.

Here's what's happening with *your money*:

- **\$250,000 donated to the Vancouver Whitecaps.**
- **\$50,000 a year for five years to the Vancouver Canucks.**
- **More funds sunk into deals with the BC Lions.**

Ask yourself:

- What do members get in return?
- Are these lavish sponsorships creating job opportunities for *you*?
- Are members being employed in construction, maintenance, or operations at these stadiums and organizations?

The answer is NO.

Sponsoring these sports organizations could make sense—***if our members had the jobs there***. But they don't. Instead, the board is throwing away *your money* on high dollar deals that do nothing to create employment for union members.

Meanwhile, these sponsorships come with VIP tickets, luxury suites, and exclusive access—not for *you*, but for the executive board, their friends, and their families.

While members wait on the board for work and struggle to make ends meet, the executive board is enjoying the high life at sporting events—funded by *your dues*.

This is a betrayal of every member who pays into this union. Our dues should be used to support *us*—by creating job opportunities, providing training, and fighting for better wages and benefits. Instead, the board is too busy enjoying themselves to care about the members who keep this union alive.

Brothers and Sisters.... Enough is enough!

The **Voice of the Members slate** stands for real accountability and a union that works for *you*, not the board. Here's our promise:

- No wasteful spending on vanity projects like sports advertising.
- Your dues will go toward job creation—not luxury perks.
- Sponsorships will be tied to employment opportunities for union members.
- Complete financial transparency—so you'll always know where your money is going.

Our slogan says it all: **Your Voice. Your Union. Your Slate.**

The current board has lost touch with what matters most—*you, the members*. It's time to vote them out and take our union back.

Stand with us. Ask the tough questions. Demand better. Together, we can create a union that puts the *members* first—where it belongs.

Are you ready to make your voice heard? Let's do this.
